| WHAT IS BEING PLANNED | <p>The California Department of Transportation (Caltrans) in conjunction with the Federal Highway Administration (FHWA) propose to construct safety improvements on State Route 138. The original project scope of work has been revised and now consists of:</p> <ul style="list-style-type: none"> • Segment One: Pavement rehabilitation (AC Overlay), modify left-turn lane at Mountain/Green Road, improve drainage systems, widen shoulders from the Los Angeles County to approximately 0.2 mile west of Beekley Road. (LA Postmile 74.8 to SBd Postmile 4.8). • Segment Two: Construct truck climbing lanes with 1.2 meter median buffer, correct horizontal and vertical curves and widen shoulders from Beekley Road to 0.4 mile west of Hess Road; modify eastbound and westbound acceleration lanes; modify right-turn lane at Sheep Creek Road; modify and install metal beam guard rails; relocate utilities; and improve drainage systems. (SBd Postmile 4.8 to SBd Postmile 9.1). • Segment Three: Pavement rehabilitation (AC Overlay), improve drainage systems, and widen shoulders from 1.2 miles east of Hess Road to approximately .02 mile west of Cajon Mountain underpass. Correct horizontal and vertical curve near U.S. Forest Service Station. (SBd Postmile 10.7 to SBd Postmile 14.00) |
| WHY THIS AD | <p>To notify you that a Public Information Meeting/Open House is being held to keep you informed on the progress of the project.</p> |
| WHAT IS AVAILABLE | <p>Original and revised design layouts, maps, and other exhibits available for viewing. No formal presentation will be made. You are invited to attend any time between the hours of 5:00 PM and 8:00 PM. Comment cards will be accepted at the meeting or can be mailed by February 13, 2004, 5pm.</p> |
| WHERE YOU COME IN | <p>It is an opportunity for the public to discuss the revised design features of this project with Caltrans staff. After the public information meeting, CALTRANS will proceed with the project's revised design and request approval from FHWA.</p> |
